

Deep Linked Assignments and The Gradebook

FAQs:

Q. When will assignment gradebook columns be created and appear?

A: They will appear once the assignment grades sync to the gradebook.

Q: How can I add my deep-linked assignments into the gradebook?

A: This can be completed by clicking on the assignment item. Please see the instruction steps on the next page.

Q: Will the students still have to click on the specific assignment deep link in order for the grade to sync?

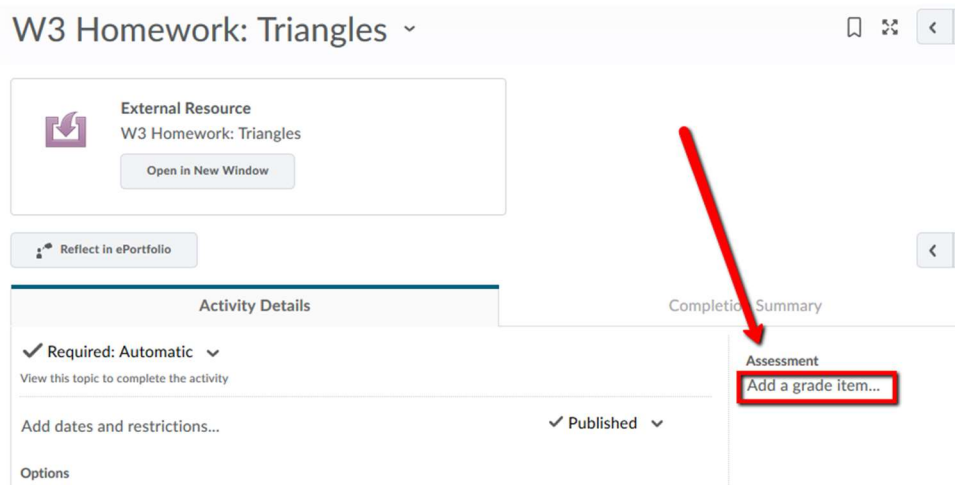

A: The students no longer have to click on the specific assignment link to sync the grades.

How to add my deep-linked assignments into the gradebook:

For each item that needs to be graded, click on an assignment item. If the assignment opens in a new tab, close that tab to get back to the course.

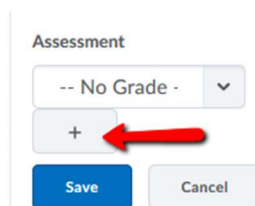

Click on Assessment > Add a grade item...

Example:

The screenshot shows a course page titled "W3 Homework: Triangles". At the top, there is an "External Resource" section with a link to "W3 Homework: Triangles" and a button "Open in New Window". Below this is a "Reflect in ePortfolio" button. The main content area is divided into two tabs: "Activity Details" and "Completion Summary". The "Completion Summary" tab is active, and within it, the "Assessment" section is visible. A red arrow points to a button labeled "Add a grade item..." which is highlighted with a red box.

Click on the "+" button to create a new grade item.

The close-up shows the "Assessment" dialog box. It has a dropdown menu currently set to "-- No Grade -". Below the dropdown is a button with a "+" sign, which is highlighted with a red arrow. At the bottom of the dialog are two buttons: "Save" and "Cancel".

On the New Grade Item form, complete the following fields:

New Grade Item / Name = Assignment Title

Category = select appropriate if present

Maximum Points = reference the assignment CSV or integrated platform for this

Click the “Create” button.

Example:

The screenshot shows a 'New Grade Item' form with the following fields and elements:

- Name ***: A text input field containing 'W3 Homework: Triangles'. A red arrow points to this field.
- Category**: A dropdown menu showing 'Week 3' and a link for '[New Category]'. A red arrow points to the dropdown.
- Description**: A rich text editor with a toolbar containing icons for video, image, link, paragraph, bold, italic, underline, and a help icon. Below the editor is a checkbox labeled 'Allow users to view grade item description'.
- Maximum Points ***: A text input field containing '70'. A red arrow points to this field.
- Buttons**: A blue 'Create' button and a grey 'Cancel' button. A red arrow points to the 'Create' button.

****Remember to click the Save button on the Assignment Screen****
